

LOCAL NEWS.

THE LATE L. B. TAYLOR, Esq.—A meeting of the Judges of the Circuit and Corporation Courts of the city of Alexandria, the Bar of this city and the officers of said Courts was held at the Corporation Court Room yesterday afternoon.

Judge James Keith was called to the chair and Col. May appointed Secretary.

Judge Keith, in taking the chair, said:—"It is proper that I should state the object of this meeting. We have met to express our sense of the great loss which we have sustained in the sudden death of our friend and associate, L. B. Taylor, and not only our loss but that of the community at large. I have not had the good fortune to know Mr. Taylor so long and so intimately as many of you here present, but I have known him long enough and intimately enough to be deeply impressed with his dignity, gentleness and courtesy. He exhibited at all times the character and bearing of a high-bred and high-toned gentleman, and his example in these respects furnishes a model for our imitation. His sudden death should impress us with the uncertainty of all human affairs."

On motion of S. F. Beach the chair appointed Judge E. M. Lowe, S. F. Beach, C. E. Stuart, H. O. Claughton and D. L. Smoot a committee to prepare resolutions expressive of the feelings of the meeting.

This committee, through their chairman, Judge Lowe, reported the following resolutions: Whereas, LAWRENCE B. TAYLOR, a prominent citizen and lawyer of Alexandria, was yesterday suddenly stricken down in the prime of his life and in the vigor of his manhood;

Resolved, That we, his brethren of the Bar, have heard of his death with feelings of profound sorrow.

Resolved, That in the death of Mr. Taylor the profession has lost one of its most popular and able members, the community one of its most useful and public-spirited citizens, and society one of its brightest ornaments.

Resolved, That as Mayor of the city of Alexandria for several years, as Attorney for the Commonwealth, member of the General Assembly and member of the City Council, he was always true to the interests of the people whom he served.

Resolved, That we tender to his family our sincere sympathy in their deep affliction, and that we will wear the usual badge of mourning for thirty days, and attend his funeral in a body.

Resolved, That these resolutions be published in the city papers and a copy of the same be forwarded to the family of the deceased, and that the several courts of the city and county be requested to spread them upon their minutes.

In offering them Judge Lowe paid a most fitting tribute to the memory of the deceased. Mr. S. F. Beach, Col. C. E. Stuart and Capt. D. L. Smoot also spoke eloquently and touchingly of his virtues.

The resolutions were then unanimously adopted.

The Chair then appointed Mr. S. F. Beach a committee to present the resolutions to the Courts of this city and county, after which the meeting adjourned.

A meeting of the Vestry of Christ Church, Fairfax Parish, Va., was held this morning, at which the following preamble and resolutions were offered and unanimously adopted:

Whereas, it has pleased Almighty God, in his wise and inscrutable Providence, to remove suddenly from our midst our friend and collaborer in this Vestry, LAWRENCE BERRY TAYLOR, Esq.; therefore,

Resolved, That in the death of Mr. Taylor this Vestry has been deprived of a wise and able collaborer, who has for twenty years given to the benefit of his legal learning and discriminating judgment; and we, his collaborators, have lost a friend whose genial society we have long enjoyed, and whose generous and amiable character we have highly appreciated.

Resolved, That in placing upon record this expression of the sorrow with which this event affected us, we tender to his bereaved family our respectful sympathy and condolences in this sudden and crushing bereavement.

Resolved, That these proceedings be published in the Alexandria papers, and that the Secretary transmit a copy of the same to the family of the deceased.

Resolved, That we do now adjourn to attend Mr. Taylor's funeral in a body.

Y. M. C. A. CONVENTION.—The present indications are that a large representation from the various Associations will be present at the Convention next Tuesday. A morning session will be held at 10 o'clock, and an afternoon session at 2 o'clock in the room of the Alexandria Association, No. 93 King street. These sessions are more particularly designed for Christian workers, and will not probably be of special interest to the general public. The evening session in the Methodist Episcopal Church will be devoted to its character and probably of great interest. It will be preceded by a praise meeting, commencing at quarter before seven, at which will be sung a number of new and beautiful hymns, by a large delegation from the Washington Association. The public generally are invited to these meetings. Those willing to entertain one or more of the visiting delegates, can leave their names with the General Secretary, Jas. Eutaw, Jr., No. 93 King street.

THE WEATHER.—The snow storm, into which the rain of yesterday morning changed in the afternoon, continued until late last night. The snow, however, almost as soon as it fell, turned into slush which lay upon the sidewalks to the depth of an inch, and after dark rendered walking exceedingly disagreeable. It commenced to snow again about ten o'clock this morning, and continued until about two this evening, though it melted as soon as it touched the ground. Early this morning the Maryland hills, opposite this city, were white, and passengers who arrived this morning from Lynchburg and Leesburg report the snow an inch and a half deep at the former and two inches deep at the latter place.

POLICE REPORT.—Affairs in police as in business circles were exceedingly quiet to-day, and have been so for some time past. There were no criminal cases reported this morning, but numerous complaints were lodged of damages occasioned by cows whose owners permit them to wander through the streets at night and who thereby render themselves liable to suits for trespass.

Seven lodgers were accommodated at the station house last night.

NARROW ESCAPE.—A row-boat containing about fifteen colored laborers returning to their homes in this city from their day's work on the East Alexandria railroad, sprang a leak in the middle of the river about seven o'clock last night, and filled so rapidly that though all bailed except those at the oars with great difficulty kept afloat until she reached the wharf.

KNIGHTS OF PYTHIAS.—District Deputy Grand Chancellor H. L. Simpson, Past Chancellor W. H. G. of Oriental Lodge and others of the order, left here this morning for Winchester to institute a lodge of Knights of Pythias in that town. The Grand Chancellor of the State and past chancellors from Staunton and Harrisonburg are expected to be present upon the occasion.

NEW STATION.—For the accommodation of persons living or doing business in the extreme northern end of the city, Mr. Du Barry, Superintendent of the Alexandria and Washington Railway, has directed that hereafter the trains on that road, shall make a stopping place at Porter's Brewery, upper end of St. Asaph street.

TELEGRAPHIC NEWS.

[SPECIAL DISPATCHES TO THE GAZETTE.]

From Cuba.

NEW YORK, Nov. 18.—Havana dates to the 12th, contain the following: Before being executed Ryan sent for a notary public to make his will. The day before the execution of Ryan, Del Sol Verona and Cespedes, Governor or Burill held a secret interview with the latter and endeavored to make some arrangement with him for the surrender of his father, President Cespedes, but failed in the attempt. There is a report that Santa Rosa was not found among the passengers of the Virginia but made a successful landing in a schooner with forty others. On the 10th inst., two gentlemen and eight ladies were arrested at Havana on board the steamer City of New York, just from New York, suspected of bringing insurgent correspondence. The owner of the Bombardier Express Company was arrested on a similar suspicion, and all are held at the headquarters of the Chief of Police. The official report of the Captain of the Tornado which captured the Virginia is published here but contains no new facts. Reports of other officers show that the Virginia was suffering from a large leak in her bow which materially retarded her progress.

Another Defeat.

NEW YORK, Nov. 18.—Edward K. Winslow, of No. 24 Broad street, with whose reputation rumor has been busy for some time, is at length announced a defaulter to the extent of \$400,000. Winslow was engaged in the purchase of claims of Government employees at ten per cent. discount, and receiving deposits on which he paid 3 and 34 per cent. He continued to pay the interest, but when asked for the principal in recent cases he failed to respond, and at a meeting of his creditors he insisted that he was a hopeless bankrupt. Winslow had a home on Staten Island and lodgings in this city, but is now supposed to be out of the country.

Sentiment in Indiana.

INDIANAPOLIS, Nov. 18.—Governor Hendricks telegraphed yesterday to the Committee of New York Cuban sympathizers as follows: "Spain cannot be permitted to maintain her authority in Cuba by means which civilized nations reject as atrocious, and in the cause of humanity and good government the United States should now extend their sympathy and power over that island. I think this is the sentiment of the people of Indiana."

LOCAL BRIEVITIES.

The funeral of the late Colonel L. B. Taylor took place this morning, the remains being escorted to Ivy Hill Cemetery by a large concourse of sorrowing relatives and friends. The services were conducted by Rev. R. H. McKim, rector of Christ Church, of which Col. Taylor was a member and a vestryman.

One of the large trees that stood in front of the house in West End that once belonged to Mr. Bruin was blown down last night, and, falling across the road, some of the market wagons on their way to town before daylight this morning ran into it and were damaged.

A row occurred this afternoon on board the schooner Edward Duran, lying at the wharves of the American Coal Company, between the mate and two of the crew, which resulted in the locking up of the latter in the station house.

The November number of "The Academy Journal" has been issued. As usual, it contains matters of interest to the numerous friends of St. John's Academy, and is well printed.

One of the street car drivers, named Posey, was arrested to-day for threatening to strike with a rock a wagoner named Javins, who was obstructing the railroad track.

The tide in the river was so low to-day that the trips of the Maryland ferry boat Virginia had to be temporarily suspended and her place supplied by a row boat.

Many of the canal boats now leaving here for Cumberland will return no more until next season.

A large party of masqueraders were out on the streets last night.

AMUSING.—The most amusing topic of conversation to-day among those who saw it was Judge Underwood's letter, which appears in another column. This whole composition is remarkable, but probably the two strangest things about it are that it should have been printed as though written in this city, when everybody knows the Judge don't live here, and that the attempted assassination, to which it alludes, should have been located on the main street of Richmond in broad daylight and in the presence of a large crowd, all of whom could not have been rebels, when the assumed project would have been executed with less fear of detection almost anywhere else.

EFFECTS OF THE PANIC. As severely as the present stringency in money matters affects merchants and the public generally, it nevertheless, in many instances, bears good results, as one of the latter may be cited that we can now offer to the public a large, fine and well selected stock of HATS, comprising all the latest styles, at greatly reduced prices. Having bought them in New York at a forced sale at panic prices for cash, we unhesitatingly assert that we can sell them at fifty per cent. less than regular retail prices. As for instance—
